Chapter 1 by Kevin Conrad

I was studying to be a pastor at calvary chapel one day I was led to the bookstore and there was a book and famous painting called forgiven I ran to the pastor and told him he said it could be anybody well I wanted everybody to know that there was a picture of me and Jesus well Jesus told me he would bless me with music and comedy I wrote the five songs 1 sports this song has 10 FAMOUS SPORTS STARS IT IS TO BE SUNG AT SPORTING EVENTS basketball hockey tennis I took ten years to get the faith to write them they are done and it seems like I am not the only one that knows my talent there are a couple people that tried to take my songs and I won't say what happened it was God who dealt with them song number two peace from here to the middle east written for Barack Obama and the victims of the Boston bombing it is a message to the world that God is upset and the rest is

on my shoulders song number three where were you was written for Taylor Swift for her mom who had cancer also for the cancer society and the AIDS victims people who are blind deaf and disabled it is weird how when I watch Taylor sing it gives me this awesome power but what would she want to do with a crippled that doesn't have a job and anything else going for him but the truth is I have enemies Satan and his band of demons that is why it is hard because it is spiritual battles but some are really used to work in the AIDS clinic and I saw my patients die of AIDS people think I am gay and I am homophobic I have always lived in the hood and never had anything but now is my time to make a living for myself and make my son proud I wrote another song for Gwen Stefani God guides me away from trouble and I don't understand my mission is for me an Snoop and Wiz to play music and help the lost souls from here to Rome call me crazy but how do you think I feel especially when I am sitting in a nursing home with a pressure sore
